About Us

We are very glad to introduce ourselves as MINAR CONSULTANCY & EDUCATIONAL SERVICES (MCES). MCES is an educational consultant's organization based at New Delhi, dedicated towards providing education/academic consultancy services to students across India. It's a group of renowned academicians involved in the training of children for their development and career growth since 2006.

Our Nationwide presence is in more than 3000 schools and we have trained lakhs of successful students. We have given our services to the prestigious schools like DPS, DAV, K.V, Navodaya Vidyalayas and many more public schools of Delhi (NCR), Bihar, Jharkhand, U.P., Haryana etc. We are involved in giving career counselling on different streams.

Why Choose Us?

- We prepare/trained students for the different academic challenges and competition from class 8th onwards, so that they should be clear about future examination and stream selection. Similarly through our counselling session we strengthened their career and helped them to achieve success.
- Admission consultancy for boarding /day scholar school in Delhi, NCR & Kota.
- Career counseling of VIII class to XII pass students of different streams.
- Psychometric test and brain mapping.
